2019-2020 COLLEGE NOW ENROLLMENT GUIDE FOR HIGH SCHOOL STUDENTS

JCCC's College Now program provides high school students with an opportunity to earn college credit through concurrent enrollment while completing their high school requirements.

1. **APPLY** for admission only one time regardless of how many semesters you take classes at JCCC. Go to **admissions.jccc.edu** to start your application.

   For new students, to ensure your eligibility to enroll before the deadline, apply no later than the priority date listed on the calendar in this publication. When your application is processed, you will receive an email that includes your JCCC ID number and login information.

2. **TEST** into your College Now courses, if applicable (ex. English, math, science, CNA, etc.), or submit appropriate ACT scores.

   To determine if a placement test is required for your course, go to **jccc.edu/collegenow** and click the Class Schedules link to look up available courses for your high school. If a prerequisite or test score is required for your class, it will be noted. Required testing must be completed prior to enrollment. We strongly recommend that students prepare in advance by reviewing the test prep materials available on the website.

   Go to **jccc.edu/testing** for information on Testing Services location, hours, procedures, placement tests and test prep materials. Students who need disability accommodation for the placement test may contact Access Services at accessservices@jccc.edu.

3. **ENROLL** in classes online, by phone, or in person. For enrollment deadline dates, see the calendar in this publication.

   – To enroll online, first go to **jccc.edu/collegenow** and click the Class Schedules link to look up the courses available at your high school. Write down the five-digit CRN numbers of the courses you plan to take.

   – Log in to MyJCCC and click the green Add/Drop Classes button. Select the term "Credit Fall" for fall semester or yearlong courses or "Credit Spring" for spring semester courses.

   – Select the **Enter CRNs** tab on the top left, enter the five-digit CRN numbers for your courses, click Add, then click Agree & Submit.

   – Confirm that your courses show a status of "Registered" to ensure your enrollment was successful.

4. **PAY** tuition at the time of enrollment. Tuition may be paid online by logging in to MyJCCC and selecting the My Finances tab or in person at the Bursar's Office. No payments can be accepted by phone. Students are financially responsible for all charges on their account.

   For more information about paying tuition, tuition rates and student financial responsibility, go to **jccc.edu/admissions/tuition**.
