Select your courses and alternates carefully: SMS builds its master schedule upon student requests as expressed during the enrollment process. Once the master schedule has been built in March our ability to meet your requests decreases significantly.

Schedule changes are LIKELY when we discover...	**Schedule changes are UNLIKELY when you have a...**
● Scheduling Errors: We've duplicated or repeated a course in your schedule; your schedule is incomplete; a core course is missing. ● Graduation Requirements Not Met: You are a senior missing a class necessary for on-time graduation or have failed a course.	● Change of Mind: You've changed your mind about taking the course; you don't remember having enrolled for a course. ● Preference about teacher, hour: Your friends are in another section; you want a different teacher; you prefer a different hour.

Important Dates

- November — Presentations to classes, etc.; focus on this year's schedule as one part of a four-year process.
- January, 1st Week of February — Individual enrollment meetings: students complete registration cards, counselors input selections.
- July — Student schedules become visible.
- First 5 Days of School / Last 5 Days before Final Exams (for spring-semester schedule changes)
  - Scheduling errors — by appointment.
  - Student-initiated requests
    - Each day, a master schedule posted outside the Counseling Office will show courses with seat openings.
    - Students will use the Schedule Change Request Form, found on the SMS website under Counseling or in the counseling office.
    - Students must submit fully completed (with student and parent signatures) paper-copy forms to Mrs. Ross in the Counseling Office. Emailed forms will NOT be accepted.
    - Students will remain in their original classes until Skyward shows the approved schedule changes.
    - If after 24 hours the changes have not occurred, students should check the Schedule Change box located on Mrs. Ross's desk for their request form, which will note why their requests were denied (class full, error with class hour, etc.).

*** The enrollment process will not proceed until you have selected 7 choices and 3 alternates, below.**
*** Circle and initial your selections AFTER consulting with current-year teachers RE: on-level vs. honors options; prerequisites, etc.**
